

# MISSION STATEMENT

## **'Taking care of business'.**

- To provide a leading and innovative security service that exceeds our clients needs.
- To provide best practice and value while creating a stimulating and rewarding environment for our employees, where they are able to develop their skills and abilities, both for the benefit of the company and themselves.
- At all times, to act with integrity and honesty in dealing with our Clients, Suppliers, Employees and Stakeholders, recognising that customer satisfaction and our own reputation within the industry is best served by competence and efficiency at all levels of the Charter Security Team.
- We strive to pursue commercial opportunity, deliver planned growth and a fair return on our investment.
